

CFS Membership Policy pertaining to Athletics

Cornerstone Family Schools (CFS) members must participate with CFS for sports that CFS offers during each academic year unless an exception is approved by the CFS board.

i. Although Cornerstone Family Schools is composed of many individual schools, for league and association purposes, CFS functions as a school unit.

ii. At times, CFS families may encounter a hardship that necessitates their student/athlete play for an organization other than Cornerstone. *

iii. Requests should be submitted yearly prior to or along with the membership renewal request which is due June 1st. Upon approval, the student will be allowed to participate with another organization.

*Existing CFS member families as of the 2021-2022 school year that currently participate with other organizations in athletics that CFS offers may submit a request for an exception to the CFS Board for review.
