General Information

Purpose

Eligibility of Contestants

Contestants may be entered in either the elementary level (grades 4-6), the junior high level (grades 7-8), or the senior high level (grades 9-12). However, this requirement will be waived for the following exceptions: students in grades 7 and 8 may “move up” and compete in any senior high group categories. (For contestants going on to compete in the AACS National Competition, please note that 7th and 8th grade students may only compete in the group categories of band/orchestra and handbell/hand chime choir at the National Competition.) Similarly, students in grades 4, 5, and 6 may “move up” and compete in the junior high categories of band/orchestra, handbell/hand chime choir, and youth choir. If a student advances up to the next level of competition, he/she may still compete in that same category on the lower level. Since the competition fees are based on participation, a student who competes on two levels of competition must pay the registration fee for both levels. No student may “move up” to the next level of competition in any individual category.

Contestants in 9th grade may choose to enter competition categories on either the junior high or the senior high levels. That choice must be made on the registration form. For example, a 9th grader may enter a vocal solo on the junior high level and a religious reading on the senior high level. However, a 9th grader may not enter a vocal solo in both the junior high and the senior high level. Ninth grade students may be entered in the same group category on both levels. A 9th grader who wins first place on the junior high level does not have the opportunity to go to National Competition with that category since only contestants who competed on the senior high level may qualify for National Competition.

The AACS National Competition is attended by several thousand contestants each year and is a wonderful opportunity for students to improve their areas of proficiency. The details of the AACS National Competition are planned by the AACS National Office and are described in the current edition of the AACS National Competition Manual. It is strongly suggested that each school acquire a copy of the National Competition Manual since there are several major differences between the AACS National Competition Manual and the MAACS Competition Manual.

Only senior high students (grades 9-12) who have won or “placed” in an AACS certified state or regional competition may participate in the AACS National Competition. Students in grades 7 and 8 may also compete in the categories of band/orchestra and handbell/hand chime choir.

MAACS Competition Manual—General Information

For contestants going on to compete in the AACS National Competition, the same entry (i.e., music composition, speech manuscript, art entry, science fair project, sermon, or Bible teaching lesson) which placed at the MAACS Competition must be entered in the AACS National Competition.

Because the MAACS Competition is a multi-state event, it is possible for several entries in the same category at the MAACS Competition to be eligible for participation at the AACS National Competition if they all exhibit a certain level of proficiency and are from different states. For example, if the 1st, 2nd, and 3rd place contestants in a category all achieve a “Rating 1” and are from three different states, each contestant would be eligible to go to the AACS National Competition to represent his/her respective state.

If a contestant is not able to attend the AACS National Competition, the contestant from that state with the next highest score would be given the opportunity to attend as long as the next highest contestant also earned a “Rating 1” on his/her judging sheet. It should also be noted that contestants at the AACS National Competition are limited as to the number of categories in which they may register. Students who win at the MAACS Competition in multiple areas may have to make a choice as to what areas in which to compete at the AACS National Competition. This choice typically needs to be made soon after the MAACS Awards Ceremony so that other contestants may be given the opportunity to compete. In order to coordinate the registration for the AACS National Competition, an organizational meeting is held immediately after the Senior High Awards Ceremony. A representative from each MAACS school should attend.

Limitation of Contestants

Competition is divided into five areas (Bible, Music, Speech, Art, and Academics). In individual competition a student may enter any number of categories. In addition, a student may enter any number of group categories. It should be noted, however, that contestants entered in multiple categories may face scheduling difficulties on the day of competition. Some of these conflicts may not be able to be resolved and the student may have to drop out of a category at the last minute. Judges may be able to offer some slight adjustments with performance times, but this accommodation cannot be guaranteed. Students entering Bible Memory, Debate, and Spelling may especially encounter irreconcilable scheduling conflicts and should give consideration to limiting their competition to one of these categories.

Where competition is structured for a single individual, the school may only enter two individuals per category with the exception of the academic testing categories where there are no limits. In the group categories, only one group will be allowed per school (per category) except for the following categories where two groups per school may be entered: small and large instrumental ensembles, small and large vocal ensembles, acting, and Bible quizzing.

School Competition Coordinator

Each school is asked to designate a School Competition Coordinator who will serve as a liaison between the school and the MAACS Competition Office.

Registration and Fees

Registration must be completed in accordance with the instructions provided by the MAACS Competition Office and should be submitted by the announced deadline. Entry fees will be determined annually and will be based on the number of participants from the school registered for the competition.

Date and Location

The date and location of the Competition will be set by the MAACS Competition Office.

MAACS Manual—General Information

Classes of Competition

Two class distinctions will be made in the categories of youth choir, choral group, handbell/hand chime choir, and orchestra/band. Class A groups in these categories are allowed to participate at the Class AA level, but Class AA schools may not participate in the Class A category. For AACS National Competition, groups must compete at the same class category in which they competed during the MAACS Competition.

- Class A 60 or fewer students enrolled in Senior High (grades 9-12)
- Class AA 61 or more students enrolled in Senior High (grades 9-12)

Awards

Awards will be given for first, second, and third place winners and will be announced at the Awards Ceremony.

Awards will be given to the school scoring the highest number of points in each of the five areas of competition (i.e. Bible, Music, Speech, Art, Academics). The elementary competition will be separate from the junior/senior high competition. The recipient schools earn their points in the following manner: each 1st place winner will earn 3 points for the school, each 2nd place winner will earn 2 points for the school, and each 3rd place winner will earn 1 point for the school.

Awards will also be given to the school with the highest percentage of winners in each of the five areas of competition (i.e. Bible, Music, Speech, Art, Academics). The elementary competition will be separate from the junior/senior high competition. The percentage will be determined by dividing the school’s total number of points in each area by the school’s enrollment. To qualify for this award in the elementary competition, the school (or home school association) must have a minimum of 5 or more students enrolled in elementary (grades 4-6). To qualify for this award in the junior/senior high competition, the school (or home school association) must have a minimum of 10 or more students enrolled in junior high (grades 7-8) and senior high combined (grades 9-12).

Dress and Conduct Code

The MAACS believes that our Bible, Academics & Fine Arts Competition should have the highest standards of competition and Christian testimony. Therefore, all participating students and adult sponsors are expected to display the utmost respect for and strict adherence to these standards. Failure to do so may result in disqualification. The Dress Code and Conduct Code must be followed at all times—whether during a competition or apart from a competition.

The Dress Code

1. Girls and ladies will wear dresses or skirts that reach the middle of the knee or longer, and necklines will not be exceedingly low or open in the front or back.
2. Boys and men will wear a necktie, neat shirts with a collar, tucked in, dress slacks and dress shoes. A sport coat or suit is preferable but is not required. Hair should be short—off the collar and ears, one inch above the eyebrows, tapered in the back, combed, with no long sideburns. No beards or mustaches will be permitted for students.

The Conduct Code

1. The conduct of students is expected to meet the standard for believers in I Timothy 4:12. Patience, kindness, and good sportsmanship is the exemplary rule to follow at all times for all students, sponsors, parents, and visitors. Insubordination or disruptive behavior by any student, sponsor, parent, or visitor toward any judge(s) or competition official(s) will not be tolerated. Behavior which does not exemplify a Christian will be grounds for disqualification from competition.

MAACS Competition Manual—General Information

2. Violating MAACS or the host institution's disciplinary rules and regulations may result in disqualification from all events and/or disqualification from the following year's competition. The MAACS Competition Office will make the final decision in all disciplinary situations.
3. Any individual vandalizing or stealing the property of the host institution or of a student attending the host institution will be subject to disqualification and possible immediate expulsion from the competition.
4. Inappropriate behavior during the award ceremony could result in a school's disqualification from all events and/or disqualification from the following year's competition. This includes inappropriate behavior in response to the presentation of awards to groups and to individual students during the awards program. The result of such behavior can be the recall of presented awards and/or exclusion from the following year's competition.

Time Limitation

Students will be penalized for going over time or under time in any category of competition where time limits are established. When a student violates his time limit by more than one minute, the student will be disqualified. If the limit is 8-10 minutes, then the student will be disqualified if he goes over one full minute or under one full minute. However, if he is over time or under time, but not by one minute, points or a fraction of a point will be deducted which will prevent an otherwise first-place winner from placing first, a second-place winner from placing second, or a third-place winner from placing third. Exception: The time limit for an academic test cannot exceed one hour. The time limit for "Creative Writing: Poetry" and "Expository Writing: Essay" cannot exceed two hours.

Performance Time

Because of the tight performance schedule on competition day, individual contestants and groups should try to arrive at the competition room no less than five minutes prior to their scheduled performance time unless prior arrangements have been made with the room coordinator for that performance room.

Judging Forms

Students competing in a category requiring judging forms must submit two completed judging forms at the time of competition. Students must use the MAACS judging forms listed in the current MAACS Competition Manual. Judging forms from the AACS National Competition Manual are intended for use at the AACS National Competition and should not be used at the MAACS Competition.

Bible Usage

The King James Version will be the only authorized translation used in any MAACS competition category.

Recording Policy

Because of the distractions that may occur to the contestants, we ask that no flash photography be used during a performance. The recording of a single entry by representatives of the participant's school for personal use is permitted. The recording of all or portions of the performance of more than one entry in an event is prohibited. In any case, the head judge in a competition may prohibit recording. No recording made by anyone other than competition officials may be considered for adjudication purposes.

Area One: Bible

Area One: Bible

Division 1: Bible Quizzing
Division 2: Bible Memory
Division 3: Bible Teaching

Division 4: Bible Preaching
Division 5: Sword Drill

The MAACS will use the KJV Bible for judging Bible competition categories. The KJV will be the only authorized translation used in any competition category.

Division 1: Bible Quizzing

(EL, JH, SH)

Bible Quizzing is a “jump-quizzing” competition measuring Bible knowledge and speed of recall. Three opposing teams are challenged by an oral question, and any team member who responds first is given opportunity to answer within a time limit. Points are scored for correct answers and penalties assessed for incorrect and incomplete answers. Both individual and team scores are kept. The highest scoring team is declared winner at the game’s end. Competition proceeds as in a double-elimination tournament.

Specific Rules:

Quiz Panel

The Quiz Panel will determine any contested questions or elements thereof upon request of the Quizmaster and will declare the winner.

1. The Quiz Panel may consist of the Quizmaster, Scorer, Timekeeper, and two Judges. One judge may keep time.
2. The Quiz Panel will be appointed and instructed by the Quizmaster.
3. All decisions by the Quiz Panel will be final.

Team Membership

1. For each game, a team will be composed of two to five members and may include substitutes from the same school. Teams are not limited in their substitutes and their substitutes may be used at the discretion of the team coach.
2. A team may change team members after the conclusion of a given game in the tournament.
3. Team members will be in grades 9-12 for Senior High teams, grades 7-8 for Junior High teams, and grades 4-6 for Elementary teams. (For 9th grade students, see Eligibility of Contestants, p. 9.)
4. Each school may send a total of two teams. If a school has two high school teams, and one becomes eligible for AACS national competition, only the members of the qualifying team’s rosters are eligible to compete at the national level. Rosters may not be combined or altered during registration for nationals.

Team Coaches

Each team’s coach will be present during competition.

1. Although the number of coaches for pre-contest preparation will be at the school’s discretion, each team will have only one official coach present during competition.
2. The coach will be responsible for the behavior of the team at all times.
3. The coach’s behavior will be considered as team behavior and, as such, will meet the students’ Dress and Conduct Code outlined in the General Information.
4. The coach may lodge a protest solely with the MAACS Competition Quizmaster after a game has been completed. The judges will not entertain protests at any time. Protests presented courteously to the MAACS Competition Quizmaster will be received courteously.

Study Cycle

The cycle for the next nine years is as follows:

- 2020-2021: John
- 2021-2022: Acts
- 2022-2023: 1 & 2 Corinthians
- 2023-2024: Matthew
- 2024-2025: Hebrews, 1 & 2 Peter
- 2025-2026: Romans and James
- 2026-2027: Mark; 1, 2, 3 John; Jude
- 2027-2028: 1 & 2 Thessalonians, 1 & 2 Timothy, Titus
- 2028-2029: Galatians, Ephesians, Philippians, Colossians, Philemon

Pregame Procedure and Seating Plan

1. The Quizmaster will face the opposing teams. The Quizmaster will determine the arrangement of the competition room.
2. Three opposing teams will be seated so as to see and hear clearly the Quizmaster and to see the scoreboard.
3. Each school's starting quizzers will sit as a team, numbered 1, 2, 3, 4, 5.
4. Each team will choose a captain and co-captain.
5. The official mode of response will be a bell-and-light jump system.
6. The Quizmaster will review the rules and game procedure and answer any related questions preceding play.

Game Procedure

1. A game will consist of twenty correctly answered regular or toss-up questions plus whatever free and tie-breaking questions become necessary, or of thirty asked questions, whichever comes first.
2. Regular Questions
 - A game will commence with the reading of a regular question by the Quizmaster to the three teams. The regular question format will be as follows: "Question number one: question."
3. If no quizzers respond within ten seconds after the reading of a question, the question will be tossed out and another read to continue play.
 - a. Tossed out questions will not constitute any of the twenty regular questions.
 - b. Team members may confer before any quizzer is recognized.
 - c. Quizzers may begin to confer while the question is being asked, as long as they do not prevent other teams from hearing the question. Quizzers may not confer once the quizzer is recognized.
4. During or after the reading of a regular question, the first quizzer whose light comes on will be recognized by the Quizmaster as the team spokesman for that question and will be addressed by school and number, for instance, "Grace Christian School, Number Three."
5. Interrupted Questions
 - The reading of regular, toss-up, or tie-breaker questions may be interrupted by a quizzer, but he must then answer the question without hearing it read in its entirety.
6. The Timekeeper will deem the Quizmaster's verbal recognition of the quizzer as the signal to start the clock.
 - a. Thirty seconds will be allowed in which to answer any question in its entirety.
 - b. The quizzer will be allowed a maximum of ten seconds before beginning his answer, but the clock will continue to run marking the thirty-second count. An answer will be considered as started when a quizzer gives new information which is part of the unread portion of the question or part of the answer.
 - c. If the quizzer fails to begin his answer within the ten seconds, it will constitute an error.

- ## 10. Free Questions

- l. If a quizzer restrains or assists another quizzer physically (holds him in his seat or pushes him to his feet).
- m. If a quizzer or team causes a delay in the game.

14. Challenges

- a. An answer to any question (regular, toss-up, free, or tiebreaker) will be considered open to challenge under the following circumstances.
 - (1) It is believed that incorrect information was considered correct.
 - (2) In a finish-the-verse question, the first five words of the verse are identical to those of another verse in the Scripture included in the competition.
 - (3) It is believed that correct information was considered incorrect.
- b. Each challenge must be submitted to the quizmaster at the appropriate time.
 - (1) If the original question is ruled *correct*, either of the other teams may immediately challenge the ruling, prior to the asking of the next question.
 - (2) If the original question is ruled *incorrect*, a challenge by any of the teams may be made only after the completion of the toss-up question and before the asking of the free question.
 - (3) A challenge to the ruling on a toss-up question, whether *correct* or *incorrect*, must be made immediately, prior to the asking of the free question.
 - (4) A challenge to the ruling on a free question, whether *correct* or *incorrect*, must be made immediately, prior to the asking of the next question.
- c. The results of the quizmaster's ruling on the challenge will be as follows.
 - (1) If the challenge to a *correct* ruling on the original question is sustained, the answering team is assessed an error, and a new question replaces the challenged one to be used as the *toss-up* question. If the challenge is overruled, the answering team retains the 20 points, and the quiz continues to the next question.
 - (2) If the challenge to an *incorrect* ruling on the original question is sustained, the first team to answer is awarded 20 points, the result of the toss-up is discarded, and the quiz continues to the next question. If the challenge is overruled, the result of the toss-up question stands.
 - (3) If the challenge to a *correct* ruling on a toss-up question is sustained, the answering team is assessed an error, and the quiz continues to the free question. If the challenge is overruled, the answering team retains the 20 points, and the quiz continues to the next question. If the challenge to an *incorrect* ruling on a toss-up question is sustained, the answering team is awarded 20 points, and the quiz continues to the next question. If the challenge is overruled, the result of the toss-up question stands, and the quiz continues to the free question.
 - (4) If the challenge to a *correct* ruling on a free question is sustained, the score reverts to what it was before the question was asked, and the quiz continues to the next question. If the challenge is overruled, the answering team retains the 10 points, and the quiz continues to the next question. If the challenge to an *incorrect* ruling on a free question is sustained, the answering team is awarded 10 points, and the quiz continues to the next question. If the challenge is overruled, the result of the free question stands, and the quiz continues to the next question.
- d. Only a team captain may challenge by standing and saying, "Mr. Quizmaster, I would like to challenge." The captain may yield the floor to a team member to voice the challenge.
- e. The quizmaster, with or without counsel of the quiz panel, will have sole authority to accept or reject the challenge.
- f. No penalty shall be assessed against any team that properly submits a challenge.

Questions and Answers

- No unanswered (tossed-out) questions will be asked again until all questions have been asked once during the entire competition. All decisions on the correctness of answers will be the sole responsibility of the Quizmaster, who may seek counsel of the Quiz Panel at his own discretion.

MAACS Competition Manual—Bible

1. Description of Acceptable Question and Answer Forms

- a. Interrogative Question form: a question constructed by the use of a direct word(s) from Scripture together with an interrogative and answerable by a paraphrased word or phrase
 - (1) Interrogatives will be limited to selections from this list: who, whom, what, why, where, when, which, how.
 - (2) Interrogative questions drawn from a Scriptural context without the inclusion of direct word(s) will not be permissible.
 - (3) Interrogative questions will include the book and chapter citation from which the question is drawn.
 - (4) Example—

Q: “In Jesus’ trial in the wilderness in Matthew 4, Jesus was led into the wilderness by whom?”
A: “the spirit.”
- b. Finish-the-Verse Question form: a verse completion question answerable by a direct Scriptural quotation without any book, chapter, or verse reference citation
 - (1) Finish-the-verse questions will begin with the statement “Finish this verse” or “Finish this verse and the following verse” or “Finish this verse and the following two verses.” Verses must be quoted verbatim.
 - (2) No quizzier will be expected to cite references in finish-the-verse(s) questions.
 - (3) Example:

Q: “Finish this verse, He came unto his own...”
A: “and his own received him not.”
- c. Reference Question form: a question citing a reference with or without the use of a key word(s) answerable by a paraphrased phrase and/or indirect quotation
 - (1) Reference questions will begin with the phrase “This is a reference question...”
 - (2) Reference questions will begin or end with the phrase, “According to...” followed by a reference.
 - (3) Reference questions will be acceptable if they refer to either verse and chapter citation or to chapter citation alone.
 - (4) Reference questions may or may not use interrogatives.
 - (5) Reference questions are answerable with paraphrased quotations as opposed to verbatim quotations.
 - (6) Example:

Q: “According to Matthew 4, Jesus answered Satan in which manner?”
A: “He quoted the Scripture: ‘It is written, man shall not live by bread alone, but by every word that proceedeth out of the mouth of God; Thou shalt not tempt the Lord thy God; Thou shalt worship the Lord thy God, and Him only shalt thou serve.’”
- d. Quotation Question form: a total recall question which states an exact Biblical reference and is answerable by a direct verbatim quotation
 - (1) Quotation questions will begin with the phrase, “Quote this verse...” or “Quote these two verses...” or “Quote these three verses...” and follow with a book-chapter-verse reference.
 - (2) Quotation questions will be answerable by the verbatim quotation of the verse cited. Quizzer may, but will not be required to, cite the reference; however, he must begin the quotation of the verse within the ten second time frame.
 - (3) Example—

Q: “Quote this verse: John 1:4.”
A: “John 1:4, ‘In Him was life; and the life was the light of men.’”

2. Determination of Correctness of Answers
 - a. An answer will be considered correct only if it will have been correctly and completely stated within the thirty-second time limit.
 - (1) Answers to quotations and finish-the-verse questions must be verbatim and complete within the time limit.
 - (2) When answering reference and interrogative questions, if a quizzer is interrupted by the call for time while giving additional information beyond what the judges consider necessary for correctness and completeness, so long as the information given before the call for time was correct and complete, the answer will be considered correct.
 - b. An answer will be considered correct if a proper name is mispronounced.
 - (1) The Quizmaster may request clarification by spelling.
 - (2) An incorrect spelling of the proper name will constitute an error.
 - c. Only the first answer from a quizzer will be considered. Starting over to make a correction will constitute an error.
 - (1) Should a quizzer interrupt the reading of a question, he will not be required to complete the question before answering, but an incorrect answer will constitute an error.
 - (2) When a quizzer has finished his answer he should be seated.
3. Errors—The following actions will constitute an error:
 - a. The quizzer fails to begin his answer within ten seconds.
 - b. At the Timekeeper's call of time (30 seconds), any incorrect or incomplete answer has been given.
 - c. If the wrong quizzer answers the question, the right quizzer will then be permitted to answer the question. However, if both quizzers are from the same team, an error will be assessed and the question repeated as a toss-up question.
 - d. An answer would require clarification for understanding.
 - e. A quizzer quotes a verse word for word in response to an interrogative or reference question.
 - f. An answer to a finish-the-verse or quotation question is given in which there is any deviation from verbatim quotation of Scripture, i.e. any addition, omission, reversal, or change of words.
 - g. The Quizmaster calls for spelling of a proper name and it is incorrectly spelled.
 - h. Should a quizzer interrupt the reading of a question, he will not be required to complete the question before answering, but an incorrect answer will constitute an error.
 - i. Only the first answer from a quizzer will be considered. Starting over to make a correction will constitute an error.
 - j. Any incorrect information in an answer constitutes an error. This includes giving information that is not a part of the question or the answer.
 - k. A quizzer gives any incomplete answer at the call for time.
 - l. If a light flicks on after the question is begun, this is an error, not a foul. The Quizmaster gives the error to the quizzer and moves to the toss-up question. Example—"Question number 1, question, Who..."—light flicks (on and off) with word "who" or following words; this is treated as an attempted and failed answer.

Determination of Winner

1. The team with the highest score at the end of the twentieth question or sudden death tie breaker will be declared the high winner. The team with the second highest score will be declared the middle winner. The last place team will be considered the loser of the game. In other words, each game with three teams will have two winners and one loser.
2. The advantage of being a high winner is the draw of opponents as the contest eliminates quiz teams.

3. The Quizmaster will determine the teams competing in each game. “Determination of Winner” rule #1 will help the Quizmaster determine the selection of teams to participate in each game.
4. Competition will proceed as in a double elimination tournament so that each team must be defeated twice before being eliminated.

Division 2: Bible Memory

(EL, JH, SH)

Competition will be conducted in the traditional spelling bee fashion. Bible Memory verses are located in the Bible Memory Verse Appendix. The six-year cycle by school year is stated below:

- 2020-2021: The Wisdom of God
- 2021-2022: Soul-winning
- 2022-2023: The Triune God
- 2023-2024: Sin and Salvation
- 2024-2025: Prayer
- 2025-2026: God's Promises

Specific Rules

1. All students will stand, forming a single line facing the Bible Memory Master.
2. The Master will question from left to right.
3. All questions will be taken from the official memory material.
4. The Master may conduct only two styles of quizzing as follows:
 - Style 1: Master cites reference; student recites verse. Master may continue this style for as many rounds as he chooses.
 - Style 2: Master refers to application of verse; student cites both reference and verse. Master may continue this style for as many rounds as he chooses.
5. Each student will be given a question different from that given the preceding student.
6. The student will not begin speaking until the Master's questioning is completed.
7. A student will be permitted one error before his elimination. Upon commission of his second error, the student will be eliminated by the Master with confirmation from the judges.
8. Elementary and Junior High competitions will be based upon total points earned by answering correctly and not by elimination. A minimum of three rounds will be given. Additional rounds may be given at the discretion of the judge.
9. The following will constitute errors:
 - a. Any incorrect reference citation
 - b. Any deviation from the verbatim quotation of scripture, i.e., any addition, omission, reversal, or change of words
 - c. Incomplete answers at the call of time
 - d. Only one error per question may be scored against a student.
 - e. Pronunciation mistakes will not constitute errors.
 - f. Having begun either to cite a reference, quote a verse, or both, a student may stop and begin again, repeating exactly as begun; but in the repeating, there can be no change of reference or quotation. If such change occurs, the student will be declared in error.
10. The student will have 35 seconds to quote a verse or verse and reference.
 - a. Timing will begin at the Master's signal, "Time!"
 - b. If the student wishes a repetition of the question, to prevent the starting of the clock, he will signify his request by saying, "Please repeat the question."

Category 2: Evangelistic Preaching

Category 3: Topical Preaching

5. The King James Version will be the only authorized translation.

Rules by Category

Category 1: Expository Preaching

An expository sermon is one in which a portion of Scripture is interpreted in relation to one theme or central idea. The bulk of the material for the sermon is drawn directly from the passage, and the outline consists of a series of progressive ideas centered on that one main idea.

Category 2: Evangelistic Preaching

An evangelistic sermon may be either expository, topical, or textual, but one which is primarily directed toward the lost, with the goal of drawing them to Christ. Since an evangelistic sermon may be textual in nature, it is good to have a definition of textual preaching also. A textual sermon is one in which the main divisions are derived from a text consisting of a brief portion of Scripture. Each of these divisions is then used as a line of suggestion, and the text provides the theme of the sermon.

Category 3: Topical Preaching

A topical sermon is one in which the main divisions are derived from the topic, independently of a text. Scripture passages should be used to support the topic.

Division 5: Bible Sword Drill

(EL)

The Sword Drill is a Bible Drill. Its purpose is to teach people to effectively handle the Word of God. It is called a Sword Drill because the Bible is spoken of as the Christian's Sword in Ephesians 6:17. All information below is from the Bible Sword Drill Booklet from Randall House Publications.

Sword Drill Panel

The Sword Drill Panel determines winners and considers rules on contested decisions and consists of the following:

1. Sword Drill Master
 - a. Has general oversight of the contest
 - b. Explains rules and procedures
 - c. Sets the tone for a proper atmosphere
 - d. Reads the assignments clearly and fairly
 - e. Determines if answers given are correct (by means of the Judges)
 - f. Assigns Judges, Scorer, and Timekeeper
2. Scorer
 - a. Serves under the direction of the Master
 - b. Records the results of each assignment and round
3. Timekeeper
 - a. Serves under the direction of the Master
 - b. Starts timing when the assignment has been read twice
 - c. Calls time at the end of 15 seconds
4. Judges
 - a. Serve under the direction of the Master
 - b. Rule on the correctness of any answer referred to them by the Master

Participants

Two students will represent each school. Each student must be enrolled in grade 4, 5, or 6.

Materials Needed

1. The Master will provide students with identical King James Bibles.
2. The Scorer will have a supply of Score Sheets.
3. The Timekeeper will have a stopwatch.

3. Scoring

- a. Ten points shall be awarded to the first student to step forward; five points to the second; and one point to each of the others who step forward before time is called.
- b. The student must have his finger on the correct passage (or book) before stepping forward and should remain at attention with Bible open and finger on the correct passage (or book) until the Master directs the students to step back to their original position. If a student steps forward but realizes he does not have the correct verse and steps back he may not again step forward. An infraction of this rule draws a 10 point penalty.
- c. If a Bible is held improperly, a penalty of 10 points will be incurred.
- d. A continuous infraction of the rules or unbecoming conduct will disqualify a student from further participation. The decision rests with the Judges.
- e. Bible Sword Drill is properly judged with a minimum of three Judges.
- f. The Timekeeper should use a regular stopwatch if available. A timepiece with a large second hand may be substituted when necessary.
- g. The student with the highest number of points shall be declared the winner. The student with the second highest number of points shall be declared the runner-up. In the event of a tie, 3 additional items will be used in a tie-breaking drill. All rules apply as in the original drill.

4. Special Instructions (Essential for groups of 7 or more students)

- Divide students into equal groups, if possible, of seven or fewer students.
- Each group will participate in a match called a round to determine the two final round winners. A very large group will necessitate run-off rounds of preliminary winners. Because students are placed in preliminary rounds at random, it is possible to have all or more of the best Sword Drillers in the same preliminary round. Thus, the top scorers, at the rate of 2 per round, in the total preliminary rounds will advance to the final round. Example: 4 preliminary rounds would produce 8 finalists determined by their score regardless of their place in preliminary competition.
- In each round, 3 assignments from each type of drill will be given.
- All rounds except the final must be conducted exclusive from other Sword Drill students.

The term “classical” will not be limited to denote music from that period of history but will apply to selections of a classical nature as opposed to those of popular music. Piano selections must be sacred or classical according to the rules of the category. Folk music is the body of literature that identifies with a culture or a country in the form of ballads, religious songs, work songs, cowboy songs, patriotic and political songs, and love songs. Many such folk songs have been taught by one generation to another generation and may not bear any composer identification. However, no protest songs, songs of any subversive cultural movement, or modern pop-related folk songs of any type are permissible. Semi-classical music is that which is like classical music in form, style, and quality, but is generally less complex in nature and has a more immediate appeal. It must meet high standards of quality in both words and music.
5. Selections should not be written in the style or emulate the sound of rock, gospel country, jazz, CCM, or any form of popular (“pop”) music. Movie themes and songs popularized by current “pop” or rock stars are not appropriate for competition purposes even though the song itself may be otherwise acceptable.

7. Medleys will be acceptable.
8. All music will be pre-approved by the Music Committee and the Committee will also have the authority to disqualify any student or group based on performance.

7. Hand Props/Instruments: No hand props or costume pieces will be permitted. An instrument may not be played during the presentation and auditory props may not be used.
8. Risers may be used.
9. Music: Any form of singing or music used in the presentation should be used to complement the speech effects and may not exceed 1.5 minutes of the entire presentation.
10. Use of Voice and Group vs. Individual Voices: Performers are to express different pitch levels, pace, pause effect, rate, intensity, and volume. Their speech should be expressed mainly in groups of voices, with **infrequent** solo lines. Large and small group voices must dominate. Excessive use of dialogue between characters without engagement of the chorus must not dominate the performance. Diction must be clearly understood, spoken with ease, and expressed with energy.

Distinctions between Readers Theatre and Choric Speaking

1. Readers Theatre emphasizes the individual performers, whereas Choric Speaking emphasizes the group speaking with one collective “voice.”
2. Readers Theatre relies on each individual speaker’s unique characterizations and use of other individual acting techniques, while Choric Speaking relies on the group speaking as one body using varying combinations of unison and solo voices.
3. Readers Theatre is more closely related to characterization and acting, while Choric Speaking is basically a speaking choir with many voices.
4. The emphasis of Readers Theatre is the dramatized development of a text via visual elements and the spoken interaction of individual performers. The emphasis of Choric Speaking is the creative use of the voice (vocal variety, word color, etc.) in a choral manner to reinforce the meaning of the text. Choric Speaking is primarily an auditory presentation.

Category 12: Debate

(SH: see time requirements below)

Definition: An organized oral argument on a current event topic providing participant opportunity to display skills of logical reasoning, research and use of evidence, oral persuasion, conversational and extemporaneous delivery before a critic.

- 1. A team will consist of two members, both of whom must be present to avoid forfeiture.
- 2. A team will be prepared to debate both the pro and con positions of the issue.
- 3. Rules and tournament procedures (including judging forms) will adhere to the rules published by the National Speech and Debate Association, www.speechanddebate.org. Guidelines to help students prepare for Debate are found at www.speechanddebate.org. Debate procedures are included in this manual.
- 4. A script or notes will be acceptable.
- 5. Computers will be allowed. Online access is not allowed. The guidelines for computer use as published by the National Speech and Debate Association will be followed.
- 6. The debate topic changes each year. The current year’s topic will be announced by the MAACS Competition Office on the MAACS website.

Research is the key to effective debate. Delivery is secondary. All aspects of the topic from both the affirmative and the negative positions should be researched thoroughly since debaters will be required to defend both sides of the question sometime during the competition.

Time Limits

1 st Affirmative Constructive speech	8 minutes
1 st Affirmative is questioned by Negative speaker	3 minutes
1 st Negative Constructive speech	8 minutes
1 st Negative is questioned by Affirmative speaker	3 minutes
2 nd Affirmative Constructive speech	8 minutes
2 nd Affirmative is questioned by the other Negative speaker	3 minutes
2 nd Negative Constructive speech	8 minutes
2 nd Negative is questioned by the other Affirmative speaker	3 minutes
1 st Negative Rebuttal	5 minutes
1 st Affirmative Rebuttal	5 minutes
2 nd Negative Rebuttal	5 minutes
2 nd Affirmative Rebuttal	5 minutes
Debate Prep Time (per team)	5 minutes

Debate Procedure

1. Each speaker shall have eight minutes for constructive argument, alternating affirmative to negative.
2. Following each constructive speech, one opponent shall cross-examine the speaker for three minutes. The questioner shall control the use of the time and may interrupt the respondent but may not comment on the answers or make any statement of his/her own views. Each debater shall question one opponent.
3. Following the four constructive speeches and questioning, each speaker shall have five minutes for rebuttal, alternating negative to affirmative.

Tournament Procedure: Each team will participate in three preliminary rounds. The four teams with the best records (wins) in the preliminary rounds will be named as semifinalists. If there is a tie between two or more teams in the number of wins, the team(s) with the highest total of speaker points will be named as a semifinalist. Three judge panels will judge every round.

Timing

At the expiration of time, the timekeeper shall stand and remain standing for the judges to note the overtime, but that shall not disqualify the debater.

Cross-Examination

Cross-examination is more than the art of debate. All the essential elements of good debate are necessary: A strong case, good adaptation to the audience, adequate evidence, and skillful delivery. Good cross-examination demands, in addition, a quick wit and facile tongue.

1. **Purpose of Cross-Examination:** To clarify an obscure point in an opponent's case, to expose factual error or unsupported assertion, or to obtain damaging admissions are the purposes of cross-examination. It should not be used (as it is in law) to attack the witness' personal integrity.
2. **Attitudes of Questioner and Witness:** Both should appear to be reasonable, cooperative, and eager to please. Either one should be "marked down" for unpalatable sarcasm, obvious stalling, or appearing to browbeat his opponent.
3. **Relation to Case:** The virtue of a cross-examination decreases unless the results are tied to later speeches. The cross-examination should be an integral part of the debate, not a sideshow.
4. **Delivery:** Both speakers must talk to the audience. Cross-examination takes the form of an exchange between two debaters, but basically, it is for the benefit of the listeners. In public debates it is vital that both speakers face the audience while questioning or responding.

The Questioner

1. Controls the time and may interrupt the witness to request shorter or more direct answers, or to indicate that the answer he has given is insufficient.
2. Must ask fair and relevant questions. He should neither comment on the answers, argue with the witness, nor make speeches. He should use his time for questioning alone, not for either constructive argument or summary. In fact, a conclusion is all the more effective if the audience reaches it without the questioner's help.
3. Should have considerable scope in the questions he asks. Since the time is his, he may waste time if he wants to. The witness should answer even if the significance or relevance of the question is not immediately apparent to him.
4. Should begin with common ground on which agreement may be expected, and proceed to areas in which disagreement develops or the witness makes significant admissions. The questioner may well begin with the questions which reveal his purpose: "Do you maintain that the Nationalist Chinese Army stands as a bulwark against Communism in Asia?" "Yes." "And do you further maintain that recognition of Red China would weaken or destroy this bulwark?" "Yes." Agreement on such questions is almost certain, and the questioner clearly indicates the direction of his inquiry.

MAACS Competition Manual—Speech

10. **Persuasion:** A premium should be placed upon the ability of the debaters to utilize human interest and accepted premises. Fallacies committed in an attempt to gain persuasive power should be treated the same as other fallacies.
11. **Fallacies:** A judge should not discredit an argument as fallacious, unless the fallacy is exposed by the opposition, except in the closing affirmative rebuttal, when the judge shall discredit it upon discovering the fallacy.
12. **Constructive solution:** Credit should be given to the team which most nearly approximates a constructive solution to the problems.
13. **Point of order:** The negative team shall not be denied the right to rise to a point of order after the closing affirmative rebuttal. However, if they argue the point instead of stating the point, they shall be heavily penalized on the point. In this contingency, final disposition of the matter shall rest entirely with the judge. In general, this practice is to be discouraged.

General Rules

1. Entries are not restricted to sacred themes, but entries which reflect sensualism, humanism, occultism, or worldliness will be disqualified; basically, any subject detrimental to spiritual edification will not be allowed. Content, text, images, and background sound clips must meet the MAACS standards of Christian testimony (see General Rules) and music standards (see Music—General Rules).
2. Each entry will be the original creation of the participant alone, but the participant may have had advice or instruction.
3. Each entry must have been created since the last MAACS Competition.
4. Students should do original drawings or paintings from imagination or actual life. Working from a personal photograph is allowed. Other photographs may be used if the student has strived to be creative in his interpretation of the photograph, rather than trying to copy it exactly. There must be a significant change, at least 40%, in the artwork when using another person's photograph. Any photograph used must be included with the artwork. Copying of any existing artwork (painting, drawing, illustration, etc.) is prohibited. **Exception:** Elementary entries may focus more on technique development and less on originality. Elementary students should be instructed and encouraged to create original works but will be allowed to work from the works of others. A copy of photographs and/or artwork used in creating project must be included with the Elementary entry and the Artist's Idea Statement should acknowledge the work of others.
5. Two-dimensional work must be matted or framed or gallery-wrapped canvas or cradled and ready to hang. If possible, use binder clips for matted works and use picture hanging wire rather than sawtooth picture hangers for framed works. Framing is an important aspect of the presentation of a work of art. A simple frame and mat are effective. Elaborate mats and heavy ornamental frames are not necessary and sometimes detract from the artwork.
6. Entries must be assembled and ready to judge when checked in *or* detailed instructions for set up given at check-in. No one will be permitted to assemble or set up project in exhibit area.
7. Each student must sign the "Statement of Originality" on the Artist's Idea Statement.
8. Each entry must have attached to each of the judging forms a completed Artist's Idea Statement (category specific) which gives the source of his idea and explains how he developed his artwork from the idea. (See Judging Forms, Artist's Idea Statement.) Photographs showing the development of the artwork may be included, if desired. Photographs are not a replacement for a required pattern.
9. The art student is not required to attend the MAACS Competition. In such a case, MAACS requests that a representative from the student's school submit the project during art check-in and pick up the project at the close of the competition.
10. Special lighting for display will not be permitted. The lighting in the exhibit room is the only lighting that will be allowed.

- E. At salvation, we are sealed with the Holy Spirit as security and indwelt by Him until our final redemption. (Ephesians 1:13; 1 Corinthians 6:19).
"In whom ye also trusted, after that ye heard the word or truth, the gospel of your salvation: in whom also after that ye believed, ye were sealed with that holy Spirit of promise,"

II. The Bible clearly states who may pray.

- A. Only believers may pray with the assurance that they are heard by God (John 9:31).

“Wherefore he is able also to save them to the uttermost that come unto God by him, seeing he ever liveth to make intercession for them.”
- E. The Bible teaches that the Holy Spirit also intercedes for us (Romans 8:26).
“Likewise the Spirit also helpeth our infirmities; for we know not what we shall pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered.”

III. It is wrong for the Christian to fail to pray.

- A. Prayer is commanded (1 Thessalonians 5:17).

“Ye lust, and have not: ye kill, and desire to have, and cannot obtain: ye fight and war, yet ye have not, because ye ask not.”

IV. The Bible teaches us when to pray.

- A. The believer's heart is to remain in an attitude of continuing prayer and gratitude to God (Romans 12:12; Ephesians 5:20).

V. Answers to prayer may take different forms.

- A. God has promised to answer requests made in His will (1 John 5:14-15).
“And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us: And if we know that he hear us, whatsoever we ask, we know that we have the petitions that we desired of him.”

“Now unto him that is able to do exceedingly abundantly above all that we ask or think, according to the power that worketh in us,”

“Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you: For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be

opened. Or what man is there of you, whom if he ask bread, will give him a stone? Or if he ask a fish, will he give him a serpent? If ye then, being evil, know how to give good gifts unto your children, how much more shall your Father which is in heaven give good things to them that ask him?"

- D. God may delay an answer to prayer (Luke 18:7).

“And shall not God avenge his own elect, which cry day and night unto him, though he bear long with them?”

- E. God may answer a prayer differently than our request (2 Corinthians 12:7-9).

“And lest I should be exalted above all measure through the abundance of the revelations, there was given to me a thorn in the flesh, the messenger of Satan to buffet me, lest I should be exalted above measure. For this thing I besought the Lord thrice, that it might depart from me. And he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me.”

VI. There are hinderances to answers to prayer which the believer must avoid.

- A. God will not answer if there is any unconfessed sin in the heart (Psalm 66:18).

- H. God will not answer prayer from and unforgiving heart (Luke 6:38).

“If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you.”

- J. God will not answer prayer from the partners in an inharmonious marriage relationship (1 Peter 3:1, 7).

 - G. Man does not know God's timetable for the fulfillment of His promises (2 Peter 3:9).

"The Lord is not slack concerning his promises, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance."
 - H. God's promises are obtained or possessed through faith (Romans 4:16; Hebrews 6:12).

"Therefore it is of faith, that it might be by grace; to the end the promise might be sure to all the seed; not to that only which is of the law, but to that also which is of the faith of Abraham; who is the father of us all,"

- I. God has promised that there shall be no night in heaven (Revelation 22:5).
“And there shall be no night there; and they need not candle, neither light of the sun; for the Lord God giveth them light: and they shall reign for ever and ever.”
- J. God has promised that there will be neither pain nor sorrow in heaven (Revelation 21:4).
“And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.”
- K. God has promised to dwell with His people for eternity (Revelation 21:3).
“And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God.”
